INVENTOR FOR THE INVENTION BEING CLAIMED

MS ISSUE FEE  
Commissioner for Patents  
Washington, D.C. 20231

In accordance with the provisions of 37 CFR § 1.1.48(b) to delete the name of an inventor who is not an inventor of the invention being claimed due to the deletion of claims during prosecution, in accordance with the provisions of 35 U.S.C. §116 for the correction of inventorship in a patent application, Applicant respectfully requests that the inventorship of the above-identified patent application be amended to delete inventor Stephen Taylor, who is no longer a co-inventor of the allowed claims of the present patent application due to the fact that the claims for which he was an inventor were cancelled by the Preliminary Amendment filed September 9, 2003.

Applicant did not discover this fact until very recently, and this omission was made without deceptive intent. This request is accompanied by the required processing fee set forth in 37 CFR § 1.17(i) and is submitted and signed by Applicants representative pursuant to 37 CFR § 1.33(b).
